PROFESSIONAL EXPERIENCE

Amazon UK Services Ltd

October 2025 - Present | Full-time

Process Guide (PG) - Inbound Operations

EMA5, Kettering | October 2026 - Present

Transferred from EDI4 in September 2026. Completed PG training and began the Process Guide role in October 2026. Contractual position: Fulfilment Associate.

- Lead and coordinate 20-40 associates per shift, allocating tasks, workload, stations and resources according to operational needs, training and capability.
- Monitor overall shift performance against planned targets, using operational data to track progress, identify gaps and adjust task allocation, staffing and resources while maintaining safety and quality.
- Plan break coverage, coordinate cross-department labour sharing and arrange training-centre attendance, adjusting staffing as requirements change.
- Respond to emergency leave requests and health concerns, coordinate cover and involve leadership as required; help resolve disagreements about tasks and breaks.
- Support 5S, hygiene, cleaning and housekeeping, and liaise with maintenance and other teams to address equipment, station and workflow issues.
- Track station activity, resolve operational issues and escalate concerns when needed to support smooth operations throughout the shift.
- Provide hourly operational updates and a full end-of-shift report and handover to the Team Leader or Area Manager.
- Use Excel for tracking and reporting, and Slack and two-way radios for internal communication and cross-team coordination.

Warehouse Operations Associate - Inbound Operations

EMA5, Kettering | September 2026 - October 2026

Joined EMA5 following transfer from EDI4 Dunfermline. Completed Process Guide training and started the PG role in October 2026.

Warehouse Operative - Outbound Operations

EDI4, Dunfermline | October 2025 - September 2026

- Achieved 100% picking accuracy across 3,959 units with zero errors. Used WMS and RF scanning for order processing and accurate inventory records; supported colleagues with scanning accuracy, safety and quality routines.

PROFESSIONAL EXPERIENCE - CONTINUED

Trading Assistant | Sainsbury's

City of London, UK | December 2023 - October 2025

- Improved stock accuracy by 15% through inventory control and replenishment routines.
- Investigated stock discrepancies and maintained product availability.
- Supported new colleagues, daily task allocation and shift coordination.
- Resolved customer escalations and operational issues while maintaining service and safety standards.

Warehouse Operations Associate | CN Foods

London, UK | November 2024 - February 2025 | Concurrent with Sainsbury's

- Covered shift lead responsibilities during peak periods, directing 10+ operatives across picking, packing and dispatch.
- Allocated tasks, monitored productivity and quality, and resolved operational issues.
- Trained new starters on WMS, RF scanning, FIFO and safety procedures.
- Supported inventory control, timely dispatch and an organised warehouse.

Relocation | Career break

Greater London, UK | September 2023 - November 2023

Relocated from India to the United Kingdom to commence an MBA in Supply Chain Management at the University of East London.

Business Development Manager | Shekhawati Sales & Transportation

Vadodara, Gujarat, India | August 2020 - August 2023

- Increased revenue by 30% through client relationships and new business development.
- Managed 50+ client accounts with 95% retention.
- Led a four-person sales and service team, setting priorities and reviewing performance.
- Coordinated drivers, dispatch and customers to resolve delivery delays and service issues.
- Supported expansion into three new markets and prepared performance reports.

SUPPLY CHAIN PROJECT

The Fresh Connection | MBA Supply Chain Simulation | University of East London

Led decision-making across logistics, procurement, operations and sales, balancing service levels, ROI and lead times through KPI analysis and supply chain planning. Simulation results: reduced total costs by 10% and improved operational efficiency by 15%.
